REPORT.

The Committee have the pleasure to submit their Fifth Annual Report and Audited Statement of Accounts for the year ended 31st December, 1927.

The total Income for the year was £2,208 3s. 6d., as against £2,107 6s. 11d. the previous year—an increase of £100 16s. 7d.

The total Expenditure, including Depreciation, was £1,987 14s. 2d. against £1,587 12s. 9d. the previous year—an increase of £400 1s. 5d.

The Endowment Fund has been increased from £248 13s. 6d. to £848 13s. 6d. as the result of a legacy of £600 left by the late Mr. C. T. Parsons.

Building Additions. The new additions to the Hospital Building were completed in July and the accommodation now provided is 14 beds and 3 cots, with an emergency bed when required in the public wards, and 3 private wards.

X-Ray Apparatus. The X-Ray Apparatus, so kindly presented by Mr. and Mrs. E. Strong, has been in operation since July and has proved of the greatest benefit, 36 patients being X-rayed during the five months.

Finance. The Committee are glad to report a further satisfactory increase in the number of "A" and "B" Contributors. The "A" scheme has realised £45 10s. 4d. and the "B" scheme £5 2s. 9d. more than in the previous year. There are now 1,704 "A" contributors against 1,435 and 127 "B" contributors against 115 in 1926. This increase is very satisfactory and reflects great credit on our hardworking collector, Miss Cox, and also shows the sustained and increasing interest in the hospital amongst those for whom it is chiefly intended. Subscriptions at £660 14s. 6d. show a small increase of £26 17s. 6d. In view of the large increase in the annual cost of running the Hospital, now that the accommodation

for patients has been doubled, the Committee earnestly appeal to all supporters to assist them in their efforts to obtain new subscribers. Other contributions at £316 12s. 11d. show a small increase of £7 15s. 6d. The special thanks of the Committee are tendered to Messrs. Jones, Pettigrew and Spurr for the sum of £32 14s. 2d. being the net proceeds of six dances organised by them in aid of the Funds of the Hospital. The thanks of the Committee are also tendered to the Crichton Dramatic Club, the Oxted and Limpsfield Football Club, the Tandridge Golf Club, the Oxted, Limpsfield, Tandridge and Districts Sports Club, the Oxted and Limpsfield Friendly Societies, the Chart Hut Men's Club, the British Legion, Oxted Branch, the Queen Alexandra Rose Day Fund, the London Stock Exchange Mutual Subscription Fund and Mr. Collyer Hamlin for donations sent as a result of entertainments given and collections made by them on behalf of the Hospital.

The Committee also desire to thank the Clergy and Churchwardens of Oxted, Limpsfield and Tandridge Churches for the sum of £54 6s. 3d. sent as the result of special church collections. The sum of £42 5s. 3d. received from Collecting Boxes is £6 8s. 7d. less than in the previous year. The Committee are grateful to all those who have held Collecting Boxes and they sincerely hope the result from the Boxes this year will show a decided advance. They feel this might best be achieved by placing the Boxes in prominent positions where they can be plainly seen.

Anniversary Day. The Committee are happy to be able to report an increase. Gifts in money were £53 16s. 0d. against £47 3s. 0d., and groceries etc., 650 lbs. against 554 lbs. on the previous year.

Medical Report. The Medical Committee's report will be found on page 5.

The number of Patients treated during the year was 198 against 162 in the previous year. 92 operations were performed of which 37 were major operations.

The Committee are glad to be able to report that the services of Dr. J. P. Hedley have been secured as Honorary Consulting Gynecologist and Dr. Anstey Shave as Honorary Consulting Radiologist.

Linen Guild. The report of the Linen Guild will be found on page 10, and the thanks of the Committee are due to all who have helped in this work.

Staff. The Committee desire to place on record their very high appreciation of the services of the Matron and all the Members of the Staff, and they tender to them all their sincere thanks for services rendered during an exceptionally difficult year.

Acknowledgements. The Committee desire to acknowledge with profound gratitude the ungrudging help rendered by the Medical Staff and Honorary Secretary, Treasurer, Solicitor and Auditor, and to tender to each and all their sincere thanks. The Committee also desire to thank all who by their individual and collective efforts have done so much for the Hospital.

Subscriptions. A form for remittance of subscriptions will be found at the end of this report and the Committee will be most grateful if those who have so kindly subscribed to the funds of the Hospital in the past will continue to give it their generous support.

E. STRONG,

Chairman.

19th March, 1928.

MEDICAL COMMITTEE'S REPORT.

The work of the Hospital has progressed smoothly during the year. This is greatly owing to the excellent work of the Matron and Staff.

The enlarged wards are much appreciated, and owing to the increased floor space there is much less congestion.

The new private wards have been extensively used, and offer several facilities not available in London nursing homes.

The X-rays are in daily use, and have proved the greatest possible boon; the number of cases treated is mentioned in the Report of the Board of Management.

The gas and oxygen apparatus has now been provided, and will be of great benefit to many cases, especially to those who are not strong enough to take ether or chloroform.
